International Rubber
Conference Organisation

International Rubber Conference (IRC)

1966 Paris (France)	1983 Houston (USA)	2002 Prague (Czechia)
1967 Brighton (GB)	1984 Moscow (USSR)	2003 Nuremberg (Germany)
1968 Berlin (Germany)	1985 Kyoto (Japan)	2004 Moscow (Russia)
1969 Moscow (USSR)	1986 Goetbory (Sweden)	2005 Maastricht (Holland)
1970 Paris (France)	1987 Harrogate (GB)	2005 Yokohama (Japan)
1971 Cleveland (USA)	1988 Sydney (Australia)	2006 Lyon (France)
1972 Brighton (GB)	1989 Prague (Czechoslovakia)	2007 Cleveland (USA)
1973 Prague (Czechoslovakia)	1990 Paris (France)	2008 Kuala Lumpur (Malaysia)
1974 Munich (Germany)	1991 Essen (Germany)	2009 Nuremberg (Germany)
1975 Tokyo (Japan)	1992 Beijing (China)	2010 Mumbai (India)
1975 Kuala Lumpur (Malaysia)	1993 Orland (USA)	2011 Sao Paulo (Brazil)
1976 San Francisco (USA)	1994 Moscow (USSR)	2012 Jeju (South Korea)
1977 Brighton (GB)	1995 Kobe (Japan)	2013 Paris (France) 2014
1978 Kiev (USSR)	1996 London (GB)	2014 Beijing (China)
1979 Venice (Italy)	1997 Kuala Lumpur (Malaysia)	2015 Nuremberg (Germany)
1980 Nuremberg (Germany)	1998 Paris (France)	2016 Kitakyushu (Japan)
1981 Harrogate (GB)	1999 Soul (South Korea)	
1982 Paris (France)	1999 Orland (USA)	
	2000 Melbourne (Australia)	
	2001 Birmingham (GB)	

Kitakyushu 2016

Industrial Heritage

Governmental
Iron & Steel
Works

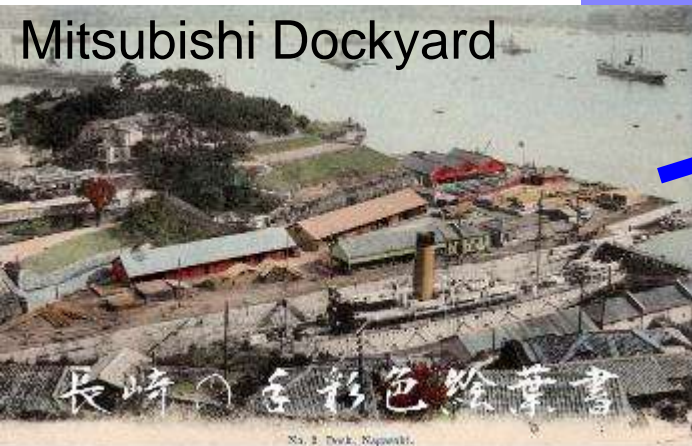

Classical Iron Mill

HAJIMA Coal Mine

Mitsubishi Dockyard

JR KOKURA Station

Rihga Royal
Hotel Kokura

Pedestrian Deck

Exhibition Hall

Kitakyushu international
Conference Center

Plenary Lectures

SPECIAL TOPICS

- Novel Elastomeric Materials
- Gel and Related Soft Materials
- Progress in Evaluation and Testing Methods
- Soft Materials in Automobile Industry
- Elastomers for Medical and Human Care
- Elastomers for Environment and Sustainability
- Innovative Technology and Goods in Rubber Industry

GENERAL TOPICS

- Polymer Synthesis
- Natural Rubber and Related Materials
- Blends and TPE
- Filler and Additives
- Vulcanization
- Adhesion
- Structure, Property and Characterization
- Rheology / Emulsion
- Simulation
- Technology of Tire
- Fatigue and Fracture
- Application of Rubber & Processing

(IRC2005 Yokohama)

SCHEDULE AT A GLANCE

Date	AM	PM	Evening
Monday October 24		Registration	Welcome Reception
Tuesday October 25	Registration	Opening Ceremony Plenary Lectures	
	Technical Exhibition		
Wednesday October 26	Oral Presentations	Oral Presentations	
	Technical Exhibition		
Thursday October 27	Oral Presentations	Excursion	Banquet
	Technical Exhibition		
Friday October 28	Oral Presentations	Oral Presentations	
	Technical Exhibition		

IMPORTANT DATES

January 15, 2016	Application for Presentation
February 29, 2016	Notification of Acceptance
April 30, 2016	Paper Submission

REGISTRATION

	Early-bird rate (until August 1, 2016)	Regular rate (from August 2, 2016)
Participants	JPY 60,000	JPY 70,000
Students	JPY 10,000	JPY 15,000

Sustainable Technology Innovation for Tomorrow

IRC2016 Kitakyushu Rubber & Elastomer Technical Exhibition

October 25 (Tue) – October 28 (Fri), 2016

West Japan General Exhibition Center, Kitakyushu, Japan

ACCESS

From JR Kokura Station – 5 min walk

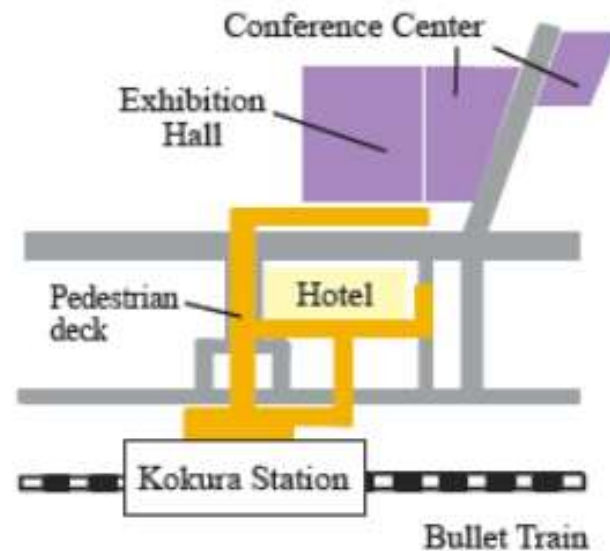

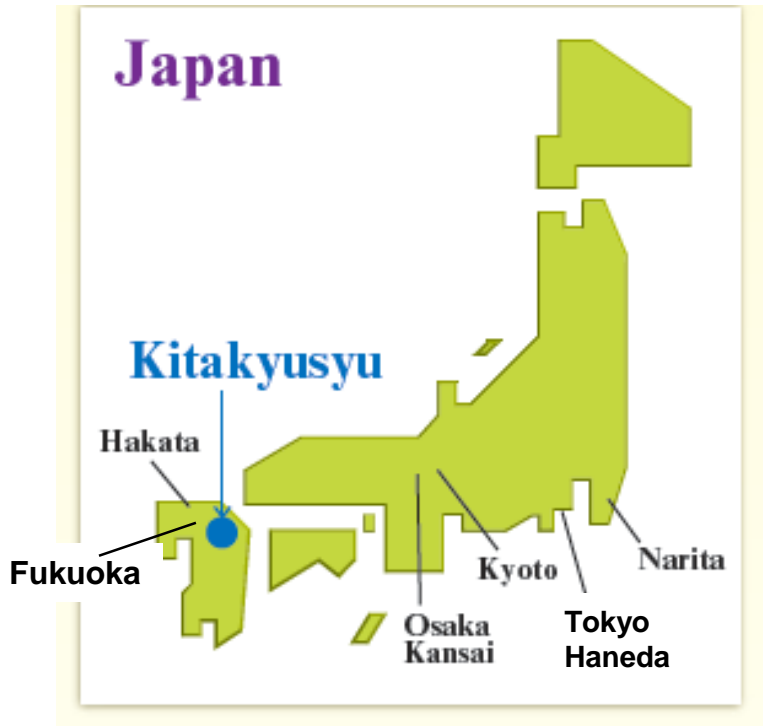

From Kitakyushu Airport (KKJ) to Kokura Station – about 40 min by bus

From Fukuoka Airport (FUK) to Kokura Station – about 30 min by subway
and Bullet Train

From Narita Airport (NRT) to FUK – about 130 min by air

From Haneda Airport (HND) to KKJ – about 110 min by air

From Kansai Airport (KIX) to FUK – about 75 min by air

Points of Interest

Kokura Castle

**Kokura Castle
Japanese Garden**

Kanmon Passage

Thank you very much.

ありがとうございます。
