### Invitation

The Swedish Institution of Rubber Technology is inviting you to its Spring Conference on 17-18 May. The conference is held in conjunction with [Easyfairs Plastteknik Nordic 2017](#) in Malmö. The theme is rubber materials with emphasis on polymers.

### Conference dinner on 17<sup>th</sup>

SGF is inviting you to conference dinner on Wednesday 17<sup>th</sup> of April. The dinner is hosted at Restaurant [Årstiderna](#). It is located in the Kockska Huset which is one of the oldest buildings in Malmö. It was once the building where they “printed” all the Danish money.

We are also happy to announce that RM Duo will entertain us during the dinner. They made a very nice performance last year.
